- "Family Organizer"(group calendar prototype Android app 2022)
- "Fedit" (forum website based on Reddit 2021)
- "ERS" (basic 2D point and click puzzle game, Python 2019)

Work Experience:

Groundskeeper at Birchbank Golf Course (May 2025 - Oct 2025):

- I safely operated large equipment (mowers, tractors, dump trucks and weed whackers) to mow and maintain over 18 holes worth of greens, tee boxes, sand bunkers, ponds and fairways to ensure the customers get the best experience during their rounds.

Car detailer at Kootenay Chrysler (June 2024 - May 2025):

- In charge of handling and cleaning hundreds of brand new cars, as well as customer vehicles to the utmost quality, in a fast-paced and team based environment.

Village of Montrose Summer Student (May 2023 - August 2023):

- I cut grass, removed garbage, watered flowers, painted, dug holes, and performed general park maintenance for the Village.

NoFrills Garden Center (March 2022 - September 2022):

- I was the cashier and general stock person for the garden center, in charge of pruning & watering the plants daily. When the center wasn't open (in March, April and August), I worked as a regular grocery store clerk.

Teck Summer Student (May 2021 - September 2021):

- Drosser in the Melting side of the E&M plant. I was trained to operate forklifts, the sweeper and a battery crane. I was in charge of mixing four 500 C° zinc furnaces, and maintaining how much dross they were producing.

Teck Summer Student (May 2020 - September 2020):

- Drosser in E&M (Same position as above Teck entry from 2021).

Parts Delivery/Car detailer at Kootenay Chrysler (May 2019 to August 2019):

- Constantly detailed and drove expensive vehicles, as well as did parts deliveries and customer shuttles everyday.

NoFrills Produce Clerk (July 2017 - April 2019):

- I was responsible for ensuring the produce section of the store was fresh, full, and sanitary. I directly helped customers constantly.
