Work Experience

Customer Service Representative

Nordia - Bell Canada-Orillia, ON

March 2019 to July 2024

My job duties included billing inquiries for customers accounts including both residential and mobility services, started working in the office and then was transferred to working from home remotely

Customer Service

Sykes Assistance-London Ontario

2015 to 2016

My job duties included assisting customers' with their vehicle, informed of warranty services, performed change of ownership, filed complaints, advised of recalls and remedies for their vehicle, referred to dealerships when necessary, transferred to other departments when needed.

Customer Service Representative

Stream Global Services-London, ON

July 2006 to August 2015

I would assist customers with their accounts including billing, technical support and general information. I would also set up service for both new and existing customers.

Education

Secondary School
