

# KONSTANTIN BREZGALOV

Montreal, QC • 514-991-8668 • kbrezgalov@gmail.com

Bilingual: English & French

**Security Clearance:** Level 2 Secret + Reliability Status (Valid until 2031)

---

## PROFESSIONAL SUMMARY

Cybersecurity Specialist with 7+ years of experience in threat management, IAM, vulnerability remediation, cloud security, and automation-driven defense. Strong blend of offensive and defensive skills, including penetration testing, SIEM analysis, and red/blue team exercises. Adept at improving security posture, reducing risk exposure, and delivering enterprise-grade security solutions. OSCP in progress and recognized for bridging technical depth with clear business impact.

---

## CORE SKILLS

**Security Operations & Threat Management:** Incident response, threat hunting, SIEM (Sentinel, Splunk), EDR (Defender, CrowdStrike), malware analysis

**Offensive Security:** Penetration testing, vulnerability assessment, exploit techniques, OSCP labs

**Identity & Access Management:** Azure AD, IAM governance, RBAC, privilege reviews, Zero Trust

**Cloud & Infrastructure Security:** Azure, O365, conditional access, MFA, VPN hardening

**DevSecOps & Automation:** Python, Terraform, Ansible, security scripting, log parsing, SOAR workflows

**Frameworks & Compliance:** MITRE ATT&CK, CIS Controls, NIST CSF, ISO 27001, audit readiness

---

## PROFESSIONAL EXPERIENCE

### Senior Associate – Cybersecurity Assurance

Kyndryl — Canada | Aug 2023 – Aug 2025

- Designed and implemented enterprise security controls, reducing threat exposure by **40%** across multiple client environments.
- Performed penetration tests, vulnerability assessments, and network audits; identified **120+ vulnerabilities** and supported remediation of **95% within SLA**.
- Led incident response and threat hunting activities, containing intrusions and delivering root-cause reports for leadership.
- Built Python-based automation for threat detection, reducing manual workload by **30%** and improving response time by **25%**.
- Evaluated and piloted new security tools, contributing to improved client security maturity.

### Key Achievements:

✓ Reduced MTTD by **20%** through improved detection workflows.

✓ Strengthened audit readiness and compliance across multiple enterprise clients.

---

## Cybersecurity Specialist – Identity & Access Management (IAM)

Kyndryl — Canada | Dec 2021 – Aug 2023

- Implemented identity governance and access controls for **200+ applications** and **5,000+ users**.
- Enhanced IAM posture with Zero Trust-aligned RBAC and privilege management, reducing access risks.
- Conducted access reviews, risk assessments, and IAM-focused incident response activities.
- Automated recurring IAM processes, saving **15+ hours weekly per client**.

### Key Achievements:

- ✓ Achieved **100% compliance** in recurring IAM audits.
- ✓ Delivered multi-tenant IAM improvements across enterprise clients.

---

## Security Services Specialist – IAM Secondary Controls

IBM — Canada | Feb 2021 – Dec 2021

- Managed periodic compliance activities and evidence submissions for enterprise audits.
- Performed privileged access reviews, identifying and resolving unauthorized access risks.
- Created data automation scripts and macros, improving evidence collection efficiency.
- Developed audit-ready reporting and compliance documentation.

---

## Cybersecurity & Collaboration Support Specialist

Collabtech Group Inc. | Jan 2020 – Sep 2020

- Deployed secure collaboration infrastructure including MFA, VPN, and endpoint hardening.
- Provided technical support to executives and high-profile stakeholders.
- Increased Microsoft Teams adoption through secure deployment and training initiatives.

---

## Cybersecurity Specialist

One Vision Technology Inc., Montreal | Jan 2017 – Jan 2020

- Monitored systems for security events and escalated incidents.
- Supported vulnerability assessments, risk analysis, and remediation tracking.
- Contributed to IT security policy enforcement and access control administration.

---

## CERTIFICATIONS & EDUCATION

- OSCP – In Progress (2021–Present)
- Microsoft Certified: Azure Administrator Associate (2019)
- Microsoft 365 Teams Admin & Fundamentals (2019)
- Business Intelligence Diploma – Montreal College of IT (2017)
- Effective Communication & Negotiation – University of Toronto (2015–2016)
- B.A. Industrial & Organizational Psychology – Concordia University (2003–2007)
