

SUMMARY

Seasoned content creator with over 7 years of experience in live streaming, community management, driving audience engagement, and nurturing vibrant online spaces. Proven track record of managing teams, both for project coordination, and cultivating strong community connections via moderation teams. Seeking a role that allows for both stability and a chance to expand and refine skills further.

WORK EXPERIENCE

Twitch.tv

2018-Present

Content Creator, Video Producer

Remote

- Built and further maintains a personal brand specializing in interactive live streaming, fostering inclusive online communities for gamers and content creators.
- Manages a strong social media presence and a vibrant Discord community, resulting in a loyal audience and driving engagement across platforms.
- Facilitates on-boarding of volunteer community staff members, providing them with essential training and resources needed to succeed.
- Coordinates charity drives, raising funds for various trans-friendly organizations to support initiatives that enhance community well-being.

Clone Hero

2019-2020

Volunteer Community Manager

Remote

- Wrote developer blogs, keeping the game's community informed about updates and provided insight into the development process.
- Developed strategies to enhance community engagement, leading to more interactive environments for players.
- Collaborated with the development team to provide players with real-time updates on project milestones and changes affecting gameplay.
- Managed and organized community feedback effectively, facilitating a two-way communications channel between the player-base and the development team.

McDonald's

2016-2017

Guest Experience Leader, Shift Manager

Thunder Bay, ON

- Ensured customers were treated with excellent service, ensuring a positive overall dining experience.
- Assisted with the adoption of self-order kiosks by guiding customers along the ordering process.
- Extended support to all areas of the restaurant, ensuring a role of flexible capabilities to assist when needed.
- Managed on-shift employee schedules, assigning breaks as appropriate and organizing available staff to best suited stations.
- Created nightly end-of-day reports quickly and efficiently, ensuring all tills and safe deposits as accounted for and logged as needed.
