ppotvin@gmail.com — (506) 269-4645 — Moncton, NB (Canada)

PROFILE

Senior Software Developer with 20 years of experience, knowledgeable in back-end and front-end development.

KEY TECHNICAL SKILLS

.NET/Core, C#, RDBMS (MSSQL, MySQL, NoSQL), APIs, microservices, MVC, HTML, CSS, JS, Bootstrap

WORK EXPERIENCE

Ascend Fundraising Solutions

Sep. 2016 – Oct. 2025

Senior Software Developer

Toronto, ON

- Ascend provides fundraising platforms to non-profits, including raffle systems.
- I write code to build new features (services, websites, tools) and to modernize legacy systems.
- I translate business requirements into working products.
- I mentor other developers, communicate with other departments, help gather requirements, provide technical recommendations, document solutions, and troubleshoot and solve urgent problems.
- Key applications: .NET (4+, Core), SQL, APIs, MVC, HTML, Bootstrap, Shopify, payment processing

Fantasy Feud

Feb. 2013 – Sep. 2016

Lead Developer

Moncton, NB

- Fantasy Feud was a daily fantasy sports website.
- I was the architect and main developer; responsible for the entire system from its inception, designing the database, building the services, and developing the front-end.
- Key applications: ASP.NET, MVC, MySQL, payment gateways, HTML, CSS, JS

NetSphere Solutions

Mar. 2007 – Feb. 2013

Senior Programmer-Analyst

Moncton, NB

- NetSphere Solutions is a web development company that mostly produces bespoke websites.

DDx Health Strategies

Sep. 2006 – Feb. 2007

Web Developer

Moncton, NB

Advantage Communications

Mar. 2006 – Aug. 2006

Technical Support Analyst

Moncton, NB

PolyCello

Oct. 2001 – Nov. 2004
