

ALI IDLEH

Technical Support Specialist

514-862-8212

libane@limito.net

10460 Place Acadie, Montreal

SUMMARY

Experienced and reliable IT Support Specialist with a strong track record of helping users solve technical issues quickly and effectively. Skilled in troubleshooting everything from hardware glitches to software hiccups, I'm dedicated to making technology easier for everyone. Known for clear communication and a friendly approach, I'm just as comfortable working solo as I am teaming up with others to tackle bigger challenges and keep things running smoothly.
