PROFILE SUMMARY

I am currently enrolled at Carleton University studying to become an information technology specialist. I have gained experience as a programmer with proficiency in C++, Python, and HTML. My hard work in programming, networking and advanced mathematics has helped me develop strong analytical and problem-solving abilities, which have been honed by a few years of practice. In addition to my technical skills, I am highly adept at critical thinking and time management, allowing me to prioritize tasks and achieve objectives efficiently. As a person who values customer service, I will strive to understand and meet the needs of all clients.

WORK EXPERIENCE

Giant Tiger, 1168 Maple Ave, Manotick, ON K4M 1A5 — Sales Associate

May 2024 - October 2024

- Provided excellent customer service, assisting customers with product selection and answering any inquiries to the best of my abilities.
- Worked closely with the staff of Giant Tiger as a team.
- Helped keep a clean and functional retail environment by refilling goods and setting up product displays.
- Recognized with the Customer Appreciation Award.

Meals On Wheels, 670 Albert St, Ottawa, ON K1R 6L2 — Volunteer

June 2021 - September 2023

- I volunteered and offered services delivering nutritious meals, offering check-ins to seniors, adults who are chronically ill, living with a disability, or convalescing from surgery or illness.
- I pride myself on having deliveries on time and being accurate.
- I enjoyed the interactions with each individual and adapted my approach to their diverse needs.
- All interactions were always polite and respectful.
