12 - B Westview Drive
Lacombe AB

(780) 200-4689

I am interested in obtaining a full-time position where I can continue to hone my software development skills. I am a friendly, honest, reliable, and hardworking team player that can offer enthusiasm and dedication. I am confident that my strong work ethics, safety focus, and goal oriented personality will be a positive contribution to your organization. I work best in an environment where my resourceful, dependable, and strong problem-solving skills can be fully utilized. I have been described as an optimistic, intelligent and responsible individual with a strong determination to pursue my career goals.

EDUCATION

NAIT (Northern Alberta Institute of Technology) - Sept/2016 to Jan/2019

Digital Media and IT Diploma emphasis in Computer Software Development

- Web Design, Game Programming, iOS & Android Development
- System Analysis and Design
- Software Development
