EXPERIENCE

Mitchell Nelson, Mitchell and Sun. — Temp. Constr. Electrician

July 2024 – Sept 2024

Installed light fixtures, smoke alarms, switches, receptacles of both 120v and 240v, a home electric car port, a roof mounted solar array, and a ground mounted array. Worked a total of 200 hrs.

James Macijowski, Timber Mart. — Yard worker

September 2023 – September 2025

Handle product delivery, putting together orders, and delivering them or simply loading them, as well as advising products to customers based on project needs. Operating a forklift in order to unload freight and stock allocations.

Carlos Burton, Save-On-Foods. — Clerk

June 2020 – August 2022

Worked cashier, worked stocking shelves, worked mainly within the meat department, as well as the very occasional freezer or dairy shift.

Sheryll, Pembina River Tubing. — Tube Runner

June 2019 – August 2019

Took tube requests and handled the tubes required. Determined lifejacket size for each customer and distributed accordingly and helped when necessary. Cleaned the bus seats and toilets around the complex. Helped customers fill personal tubes with air and helped carry them to the river when necessary or requested.

Darren Genzel, Entwisle, AB. — Drywall Taper Helper

February 2019 – April 2019

Passed mud and any needed tools to whomever was on stilts, cleaned the flusher roller and box, filled the box, ran the mud runner, helped mix the mud, cleaned and scraped floors.
