Summary

I am a creative and detail-oriented Web Designer and Developer specializing in responsive, user-centric interfaces. Proficient in **HTML5, CSS3, JavaScript (ES6+), React**, with a solid foundation in UI/UX principles and front-end performance optimization.

Technical Skills

- **Languages & Frameworks:** HTML5, CSS3, JavaScript (ES6+), Node.js, React, Expo, Tailwind CSS, Bootstrap
- **Tools & Platforms:** Vite, Git & GitHub, Netlify, Figma, VS Code, Adobe XD, Firebase
- **Other:** Responsive Design, UI/UX Principles, RESTful APIs, Agile Methodologies

Professional Experience

QA / Playtester

Ubisoft Toronto – Toronto, ON | Aug 2021 – Jan 2024

- Collaborated with cross-functional teams to identify, reproduce, and document UI/UX and gameplay defects for AAA titles.
- Provided actionable feedback on player interactions, accessibility, and interface clarity.
- Conducted regression testing and verified fixes across iterative development cycles.

Web Designer & Developer (Contract)

Bombay Touch Restaurant – Stoney Creek, ON | Nov 2024 – Jan 2025

- Planned and launched a fully responsive marketing site on Duda, aligning layouts, typography and colour palette with refreshed brand guidelines.
- Optimized images, enabled lazy loading and configured SEO settings, reducing page-load time to <2 s on 4G.
- Trained staff on Duda's CMS so they can update specials, gallery photos and events without external support.

Projects

- **FitSync – Fitness Tracker Web App**

React • Tailwind CSS • Netlify | <https://fitsyncdemo1.netlify.app/>

- Developed a mobile-first, responsive landing page and interactive user dashboard.
- Built modular React components and implemented React Router for seamless navigation.
- Optimized performance and deployed the live demo on Netlify.

- **Discover Hamilton – City-Guide Showcase**

HTML • CSS • JavaScript | <http://discoverhamilton.netlify.app/>

- Designed and built a location-based site highlighting attractions, eateries, and events across Hamilton.
- Integrated map markers and SEO-friendly schema to improve discoverability.
- Achieved fast load times and full mobile responsiveness using lightweight assets and lazy loading.

- **Bombay Touch – Restaurant Website (Web Designer)**

Duda Website Builder | <https://www.bombaytouchstoneycreek.com/>

- Designed and built a fully responsive marketing site for Bombay Touch Restaurant in Stoney Creek using Duda's drag-and-drop CMS.
- Customized branded templates, integrated online menu & reservation links, and optimized SEO settings to improve local search visibility.

- **Personal Portfolio** <https://dev-chh-portfolio.netlify.app/>

Education

York University – Toronto, ON

Bachelor of Arts/Science in Digital Media | 2022 – 2026

Certifications & Additional Work

- *Introduction to UI Design* – Coursera
- Built experimental interactive experiences with **p5.js** and **Unity** as passion projects.
