WORK EXPERIENCE

Co-op IP support

April 2025 – December 2025

Nokia, Kanata, Ontario

- Completed Nokia NRS I certification; currently studying routing protocols (OSPF, BGP)
- Configured routers and built test topologies using command-line tools; assisted with lab equipment setup and maintenance
- Conducted AI testing using Salesforce tickets; documented results and created presentations summarizing findings
- Maintained and updated technical documentation and onboarding materials
- Volunteered with ShareToCare ERG: hosted mental health sessions on work-life balance and cultural inclusivity; participated in global accessibility initiatives

Technical Project Assistant

November 2025 – Present

Jus Multi Creation Remote, Ottawa, ON

- Conducted QA testing for web and mobile applications; tracked bugs and reported findings to the team
- Prepared project presentations and pitch decks summarizing problem, solution, and potential impact
- Supported project management tasks including timelines, task tracking, and documentation
- Currently a project manager of a new project and new intern team

PROJECT & LEADERSHIP EXPERIENCE

JCI Ottawa Website

September 2025 – Present

Project Lead

The Ada Sisterhood / JCI, Ottawa, ON

- Lead a 10-member student developer team to design and deploy a responsive, bilingual website
- Collected volunteer skills via forms and assigned tasks; accordingly, tracked user stories in Excel and project proposals in Word

- Authored 10-page proposal to expand the program across multiple schools; accepted as JCI flagship initiative 2026
- Drafted agreement documents between JCI and volunteers to formalize roles and responsibilities
- Nominated as Director of External Relations, JCI Ottawa Board, 2026

Congo Week Ottawa Website

September 2025– October

Project Lead

The Ada Sisterhood / JCI, Ottawa, ON

- Led a student developer team of 10 to design and deploy a responsive event website for a community organization.
- Managed communications between technical and non-technical stakeholders; delivered project milestones on schedule; coordinated team collaboration using weekly zoom meetings, GitHub and WhatsApp.

Nokia x Ada Sisterhood

October 2nd, 2025

Networking Event Coordinator

The Ada Sisterhood / Nokia Canada, Ottawa, ON

- Hosted a networking event with 50 participants, including 15 industry mentors
- Facilitated connections resulting in one student securing a winter co-op placement at Nokia and another student gaining a marketing/communications role at JCI
- Generated engagement that led to two new JCI members
- Managed logistics, scheduling, registration, and stakeholder communication

LEADERSHIP & CAMPUS INVOLVEMENT

Founder & Club Leader

Sep 2024 – Present

The Ada Sisterhood

Algonquin College, Ottawa, ON

<https://www.linkedin.com/company/the-ada-sisterhood>

- Founded and lead a student-run organization connecting student developers with nonprofits to deliver real-world tech solutions.
- Coordinate 10+ members across multiple web development projects using Agile-style project management.
- Oversee project timelines, client communication, and milestone delivery for nonprofit partners.
- Build relationships with external stakeholders (e.g., Nokia, JCI Ottawa) and facilitate collaborative partnerships.
- Currently planning first women lead hackathon for students by students with community partners and sponsors.
- Creating The Ada Sisterhood's first board of directors and advisor program to ensure longevity of the club.

Upcoming Panel Event & Hackathon

Ada Sisterhood / Nokia / Invest Ottawa / JCI

Ottawa, ON

- Planning a panel featuring four women CEOs and a presentation from SheBoot to inspire student entrepreneurship
- Hosting a hackathon with expected 100–200 participants, in collaboration with Nokia, JCI, Invest Ottawa, co-op department, and mentorship from AGI Ventures Canada
- Engaging potential sponsors including QNX and CGI; overseeing project planning, team coordination, and event logistics

ADDITIONAL INVOLVEMENT

- **Student Ambassador, Nokia ERG (Apr 2025 – Present):** Facilitated virtual discussions and supported global ERG initiatives involving members from the US, Sweden, Poland, and Canada.
- **Class Representative, Computer Programming (May 2024 – Jan 2025):** Communicated student feedback and program improvements.
- **Student Leadership Program (Oct 2024 – Jun 2025):** Completed modules in “Leading Self, Leading Others, and Leading Leaders.”

AWARDS & RECOGNITION

- **JCI Best Member of the Year 2025** – Recognized for leadership, initiative, and community impact
