- Installed and configured enterprise applications, reducing downtime and improving reliability.
- Developed improved troubleshooting procedures that cut issue resolution time by 25%.
- Conducted user satisfaction surveys and training sessions, enhancing productivity by 40%.

Systems Analyst, Briteck Computer Technology,
Santo Domingo, Dominican Republic

Mar 2018 – Aug 2021

- Designed and implemented tailored technological solutions for enterprise clients.
- Managed and optimized databases, improving data throughput by 20%.
- Delivered over 10 major technology projects within scope, schedule, and budget.
- Trained 100+ users on emerging technologies, improving adoption and satisfaction.

Systems Analyst / IT Support, Juristas S.A,
Santo Domingo, Dominican Republic

Mar 2017 – Nov 2021

- Provided remote and on-site support for critical IT infrastructure and applications.
- Administered biometric security systems and access controls.
- Performed system analysis, preventive maintenance, and problem resolution to maintain high uptime.

Systems Analyst, LM Integral Corporation, Santo Domingo, Dominican Republic Oct 2015 – Apr 2019

- Maintained IT infrastructure with 98% uptime through proactive maintenance.
- Introduced an incident tracking system, improving response speed by 15%.
- Conducted preventive maintenance on surveillance systems, reducing failures by 30%.

ADDITIONAL EMPLOYMENT EXPERIENCE

Global and International Student Assistant, Niagara College, Welland, ON

Apr 2025 – Present

- Guide international students in using campus systems and academic platforms.
- Support event logistics and student engagement initiatives.
- Provide front-line technical and administrative assistance for student success.

EDUCATION AND CERTIFICATIONS

Computer Programming Diploma Program, Niagara College, Welland, ON

2024 – Present

Courses: Database Management, Software Development, Operating Systems, Data Science GPA 87/100

M.Sc., Audit and Computer Security, Autonomous University of Santo Domingo

2022 – 2024

Courses: Information Security, IT Risk, ISO 27001 Audit, Project Management
GPA 92.43/100

ISO/IEC 27001: 2022 Internal Auditor Certification, CertiProf Professional Knowledge

2024

B.Eng., Systems and Computing Engineering,
Dominican University Organization & Method (O&M)

2016 – 2022

Courses: Software Engineering, Operating Systems, Database Management
GPA 90.5/100

VOLUNTEER EXPERIENCE

Mentor – Cyber-Seniors, St. Catharines, ON	2025 – Present
Peer Tutor – Computer Programming, Niagara College, Welland, ON	2024 – Present
Student Assistant – Open House Events, Niagara College, Welland, ON	2024 – Present
