Work Experience

Côte St-Luc BBQ | Front of House Staff

January 2022 — May 2024 | Full Time

- Ran daytime front of house operations independently every weekend
- Reprioritized tasks in real time during busy periods to manage multiple tables, takeout orders, and walk ins without service delays
- Handled front of house operations across regular service, peak weeknight hours and all holidays while coordinating with kitchen staff, managing ordering systems, and fulfilling over 100 orders per shift
- Worked closely with the owners on inventory and customer needs while developing strong rapport with regular customers, including those with decades-long ties to the establishment

Concordia Health Services | Service Assistant

February 2023 — September 2023 | Full Time

- Advanced from a filing and archiving position into full-service assistant duties through fast learning, accurate record keeping, and providing dependable support to doctors and nurses
- Scheduled more than fifty appointments per day and handled telephone and email queries with consistent response within twenty-four hours
- Designed and implemented a new filing structure that reduced record retrieval time
- Maintained accurate patient records and handled confidential information in line with privacy standards

CannaCabana | Shift Lead

July 2020 — July 2021 | Full Time

- Promoted from retail associate to shift lead and asked to help open a new high traffic location based on performance at the original store
- Served as the primary escalation contact for customer and payment issues and resolved concerns clearly and promptly
- Implemented new procedures and adjusted staff routines during an ownership change to keep daily sales and service targets on track
- Completed opening and closing paperwork with accurate point of sale reports, cash reconciliation, and organized records for audit

Education

Bachelor of Arts in Justice Studies | Royal Roads University — Victoria, B.C.

September 2023 — October 2025 | 3.67/4.0 GPA

- Designed and executed an independent qualitative research project by formulating a focused question, developing an ethics aligned research design, conducting multiple interviews, managing transcription and producing a full interpretive analysis over an eight-month period
- Conducted extensive collaborative qualitative research projects requiring evidence gathering, structured analysis, and clear presentation of findings.
- Produced structured policy briefs, case briefs and legislative analyses through advanced coursework in Canadian civil and common law, justice systems and public policy
- Practiced negotiation and mediation techniques through conflict resolution and alternative dispute resolution training with applied scenario-based exercises

Prison Education Workshop | The American University of Paris — Paris, France

June 2024 — July 2024 | La Santé Prison

- Took part in a two-month collaborative workshop inside a prison where I assisted with activity planning and independently taught small activities within a controlled and sensitive environment
- Expanded practical French communication by quickly learning institution-specific vocabulary

Criminal and Social Justice Diploma | College of the Rockies — Cranbrook, B.C.

September 2020 — December 2022 | 3.14/4.0 GPA

- Gained entry level conflict management and crisis response techniques reinforced through scenario-based exercises that support informed action in high-pressure administrative settings
- Strengthened baseline professional communication capabilities through structured writing, rhetorical analysis, and presentation techniques suitable for academic and workplace settings

Volunteering

Diversity Action Group | Royal Roads University — Victoria, B.C.

September 2023 — October 2025 | Member

- Supported event coordination by helping plan and organize awareness initiatives and community-focused activities across the university
- Managed communication tasks by preparing information, circulating updates and assisting student groups, including supporting the setup of a new chess club
- Contributed to committee operations by attending meetings, tracking action items and assisting with follow through on equity and inclusion initiatives
