PROFILE SUMMARY

As a highly motivated and dedicated student with strong communication and interpersonal skills, I would like to apply for any position in your company. As a student, I was very involved in my community. I started working for 6 years in the Social Service, which allowed me to develop strong interpersonal skills. My involvement in various events allowed me to work closely with my peers while supporting my community. These experiences allowed me to develop strong time management and organizational skills, which I consider very important when looking for casual employment while pursuing your studies.
