Anthony Votary

Technical Solutions Specialist - Electronic Physical Security
St Marys, Ontario, Canada

Summary

A dedicated family person with a strong moral compass, I'm known for my straightforward communication and integrity. My approach combines kindness with toughness, allowing me to navigate challenges while maintaining genuine relationships. Passionate about personal growth, I enjoy staying physically active and continuously expanding my knowledge. I find fulfillment in sharing insights and mentoring others, leveraging my natural teaching abilities to help those around me succeed. My honest and authentic nature, coupled with a commitment to lifelong learning, makes me a reliable team player and a valuable asset in both personal and professional settings.
