Mississauga, ON | [abubakr.hemed@gmail.com](mailto:abubakr.hemed@gmail.com) | 647-514-9523 | Portfolio: <https://abubakrhemed.github.io/MyPortfolio/>

## OBJECTIVE

Motivated Computer Engineering Technology student with hands-on experience in full-stack development, APIs, and backend testing. Seeking an opportunity to utilize my industry skills at your company.

## EDUCATION

**Humber College, Toronto, ON**

**Expected Graduation: 2026**

Advanced Diploma in Computer Engineering Technology (Co-Op)

- **Relevant Coursework:** Java OOP2, Mobile Programming, Network Security, DataBase With Java, Programming In C

### Certificates:

**SoloLearn Web Development Certificate**

**May 28th, 2025**

**SoloLearn MySql Certificate**

**July 26th, 2025**

**Udemy The Web Developer Bootcamp 2025**

**In Progress**

## SKILLS

**Languages:** JavaScript, C, Java

**Frontend:** React, JSX, TailwindCSS, Responsive UI, HTML, CSS

**Backend:** Express.js, REST APIs, Mongoose, CRUD Architecture

**Databases:** MongoDB

**Tools:** Git, Linux, Postman, Supertest, Morgan Middleware

**Other:** Token Authentication, Middleware, Problem Solving, User Administration

## PROJECTS

### Crav'n IT

**Languages & Tools:** React, Tailwindcss, Mongodb, MorganMiddleware, Supertest, Bcrypt, Mongoose

- Developed a full CRUD platform for creating, viewing, updating, and deleting recipes.
- Created a responsive UI using React + TailwindCSS and built all backend endpoints using Express.
- Wrote backend unit tests with Supertest improving API reliability.
- Used MongoDB + Mongoose for database operations and Bcrypt for password hashing.
- Integrated Morgan middleware for request logging and debugging.

### AAS Detailing

**Languages & Tools:** React., JavaScript, HTML, CSS, Firebase Auth, Firestore, Hosting

- Built a responsive full-stack app for booking mobile detailing and oil-change services.
- Implemented Google Authentication and restricted bookings to verified users only.
- Used Firestore queries to prevent double-booking and securely store user form data.
- Deployed using Firebase Hosting with fully functional client-side routing.

## EXPERIENCE

### Canadian Tire

**Mississauga, ON**

Sales Associate

Jan 2023 - Jan 2024

- Efficiently prepared online orders, managed inventory, and contributed to effective stock control
- Helped customers over the phone with product selection, demonstrating strong communication skills.
- Organized and labeled items on skids, ensuring accuracy and operational readiness.
- Provided product recommendations and plant care advice in the Garden Centre, while maintaining a clean environment.
