WORK EXPERIENCE

eClinicalWorks

Web Application Developer

Mar 2021 - May 2022

- Developed and optimized **React** and **TypeScript** applications with a strong focus on **accessibility (WCAG, ARIA)**, performance, and responsive design.
- Built reusable UI components and implemented **state management** to maintain scalability across multi-tenant applications.
- Collaborated closely with backend engineers to integrate **REST APIs** and improve data flow efficiency between systems.
- Participated in **code reviews**, unit testing, and deployments through **Git-based CI/CD pipelines**.
- Provided **technical support and guidance** to internal support teams for troubleshooting and debugging front-end issues.

Incisive Web Solution Pvt. Ltd.

App Developer Intern

Jun 2017 - May 2018

- Developed a **Traffic Rule Detection Application** that enabled users to capture photos of traffic rule violations and earn rewards.
- Designed and implemented application logic in **Java**, ensuring smooth functionality and user interaction.
- Integrated **MySQL database** for efficient data storage, retrieval, and communication between the app and backend.

PROJECTS

Amazon Clone [🔗](#)

A clean, **functional Amazon-style shopping cart UI clone** built using **HTML**, **CSS**, and **vanilla JavaScript**

Features

- Product Listing UI – Displayed using static product data (images, names, prices)
- Live Cart Totals – **Automatically calculates total price** and number of items.
- Persistent Cart (**Local Storage**) – Keeps cart data even after page reloads.
- **Responsive Layout** – Works across different screen sizes (mobile/tablet/desktop).

YouTube Clone [🔗](#)

A **responsive YouTube homepage** clone built using **HTML5** and **CSS3**.

Features

- Video Grid Layout – Simulates YouTube's home video feed with thumbnails, titles, and channels.
- Navigation Sidebar – Responsive sidebar with icons and labels.
- Top Navigation Bar – Includes logo, search box, and user icons
- **Styled Using Flexbox & Grid** – Clean, structured CSS layout.
