Objective

I am a motivated student seeking an opportunity to apply strong problem-solving, time management, and collaboration skills. Through academic and personal programming projects, I have learned to manage complex tasks, meet deadlines, and learn new concepts quickly, and work collaboratively on larger scale projects.

Education

Napanee District Secondary School
OSSD

Napanee, Ontario
September 2023 - Present

The Lenox & Addington Agricultural Society

Number of Hours: 16
Volunteer Janitor

Napanee, Ontario
August 2024

Skills and Abilities

Time management

- I manage time effectively by prioritizing tasks, setting clear short-term goals, and meeting deadlines consistently.

Hard Working

- I create in many fields where quick completion and near perfection are a must, pushing me to work as hard as possible efficiently.

Problem Solving

- In many fields i am adept at discovering and applying a solution to a critical problem quickly, whether it be a technical bug, an argument within group, etc.

Leadership

- With experience in code projects and peer tutoring, I succinctly convey ideas to the group and ensure that any argument is settled quickly and with a clear decision.

Extra-Curricular

Track & Field

February 2024 - Present

Hobbies and Interests

- Physical Training
- Dungeons & Dragons
- Programming

Certifications

First Aid Certificate

November 2025
